QUAD CITY ENVIRO-KIDS

Quad City Enviro-Kids is a brand new summer program for students entering 3rd-5th grade this fall. Enviro-Kids will meet six Saturdays this summer from 9 a.m. to noon. The cost is just a one-time fee of \$5 per child, which covers their t-shirt and other incidental costs. Children can attend one or all of the Saturday programs and will learn about several aspects of the environment while having fun outdoors! Parents or guardians will drop the child off at a new location for each program. Parents can accompany the child or return to pick them up when the program ends at noon. Younger children can attend Enviro-Kids if accompanied by an adult.

JUNE 27: Fishing & Water Safety at Vander Veer Park, 215 East Central Park Avenue, Davenport.

JULY 11: Canoeing & Kayaking at West Lake Park, 14910-110th Avenue, Davenport.

JULY 18: GPS Scavenger Hunt & Compasses at Nahant Marsh, 4220 Wapello Avenue, Davenport.

AUGUST 1: Meet at Freight House Farmer's Market, 421 West River Drive, Davenport, where we'll learn about the importance of locally grown produce. Then we'll travel to Miss Effie's Farm near Donahue where we'll see how the foods at Farmer's Market ended up there. (Transportation to the Farm will be provided by City of Davenport Parks and Recreation and Scott County Conservation Board).

AUGUST 15: Get wet and have fun while Creek Stomping with Amy Johanssen, coordinator for Partners of Scott County Watersheds. We'll meet at Crow Creek in Bettendorf to learn about the creek, where it goes, test the water and catch some bugs! (Meeting location TBD).

FRIDAY, AUGUST 28 - SATURDAY, AUGUST 29: Overnight Family Camp-Out at Wapsi River Environmental Education Center, 31555 52nd Avenue, Dixon. Join us as we conclude the summer's Enviro-Kids with a good old-fashioned camp-out, complete with hiking, exploring and cooking over a campfire. Please bring your own tent. Some tents are available upon request. Dorm-room style sleeping is also available. (More details coming).
